MEMORANDUM FOR: Special Assistant to the Director  
for Planning and Development

SUBJECT : CORONA Agenda Items (Cover)

1. It is contemplated that the following items will be discussed and/or dealt with at BMD and LMED at the forthcoming meeting to be held at Los Angeles and Palo Alto, California 15 through 17 September.

- a. Receive BMD concurrence in proposed new cover plan.
- b. Obtain views of BMD and LMED on the THOR phase of WS-117L redesignated as a separate effort with its own publicity plan.
- c. Re-naming of the THOR phase from the present "Sentry" title to "Summaritan" or some other appropriate name so as to distinguish this phase from any possible military application for WS-117L.
- d. Propose giving the Lockheed vehicle portion a name other than WS-117L so that future references in the press will not be confused with past publicity for the 117L program.

25X1

- e. Cover explanation to account for recovery precautions.
- f. Discuss cutout requirements for the return of the end product.
- g. Press relationships at Camp Cooke.

2. Any decisions reached in the above areas will be consolidated into any master report prepared or will be furnished to you verbally prior to the policy meeting planned for the afternoon of 17 September.
